

## Stewed Egg Salad Recipe

(Taiwanese Recipe)

**Ingredients:** Serves 2

2 stewed eggs

(pls. refer More Taiwanese Recipes below)

2 iceberg lettuce leaves

1 Chinese cucumber

1 tomato

**Seasonings:**

½ cup thousand island dressing

**Method:**

Rinse lettuce leaves well and tear into small pieces. Cut Chinese cucumber, stewed eggs and tomato into slices, then remove to a serving plate. Drizzle with dressing and mix well before serving. Chilling lettuce and Chinese cucumber in the ice water beforehand provides a crunchier texture. Ready-made Thousand Island dressing can be found everywhere, or just combine mayonnaise with ketchup well.
